

OUR PHILOSOPHY

YOUNG ACHIEVERS' SCHOOL OF CALOOCAN, INC. is committed to produce achievers – holistically developed, values-oriented, pro-Filipino, equipped with 21st century skills, and resilient to global challenges.

YASCI's educational system is anchored on the philosophy that achievers ready for sustainable learning and equipped with lifelong skills can be produced by patiently assisting the learners in their initial struggles to learn, offering a carefully designed curriculum, and providing a climate conducive to excellence and achievement.

OUR MISSION

YASCI's mission is to develop the learners' talents to the fullest and realize their creative potentials in any system of educational orientation and paradigm.

OUR VISION

YASCI envisions the harnessing of competent, nationalistic, and God-loving individuals amidst global challenges.

OUR GOALS AND OBJECTIVES

YOUNG ACHIEVERS' SCHOOL OF CALOOCAN, INC. is genuinely bent on serving as an active contributor to nation-building by preparing its learners for the load ahead, so they may become useful members of society and productive citizens of the country.
