

## PHILOSOPHY

YASCI is committed to forming empowered learners who are values- driven, globally competent, and equipped with 21st-century skills for lifelong success.

YASCI's educational system is anchored on the philosophy that achievers ready for sustainable learning and equipped with lifelong skills can be produced by patiently assisting the learners in their initial struggles to learn, offering a carefully designed curriculum, and providing a climate conducive to excellence and achievement.

## MISSION

To nurture each learner's full potential by fostering creativity, resilience, and academic excellence within diverse and inclusive learning environments.

## VISION

To be a leading institution in forming competent, compassionate, and committed individuals who thrive in a globally dynamic world.

## GOALS & OBJECTIVES

To actively contribute to nation- building by developing responsible, skilled, and service-oriented learners prepared to meet societal and global demands.
